CareTech's children's education services provide a safe and stimulating learning environment in which young people are always offered a fresh start, and empowered to achieve and fulfil their unique potential

Description and Ethos of Hidelow Grange School

Hidelow Grange is an Independent School operating within the Branas Isaf Company, a subsidiary of CareTech Community Services Ltd., who are the proprietors.

Hidelow Grange is an independent school providing specialist education to boys aged 11 to 18 years with social, emotional and mental health (SEMH) needs, and who are Looked After Children. The school specifically caters for boys who present with a range of complex interpersonal, emotional and behavioural issues.

For a more detailed description of what the school offers see “Statement of Independence” and School Prospectus.

OUR PUPILS

All young people at Hidelow Grange School have a history of harmful behaviours, including harmful sexualised behaviours and social, emotional and mental health needs often accompanied by a range of additional learning needs.

Most of the pupils have had interrupted histories in education and care. There are a wide variety of attainments on admission. All have fragile self-esteem and demonstrate difficulties with authority and a lack of trust in adults. Many have experienced loss and trauma, leading to attachment difficulties. As a result, many experience difficulties in forming and maintaining appropriate, positive relationships with others and have a limited ability to work cooperatively.

Pupils are:

- aged 11 to 18;
- boys only;
- placed within the residential setting of Branas Isaf;
- residents from placing authorities throughout the United Kingdom;
- all present a range of harmful behaviours;
- most are in receipt of an EHC plan.

THE VISION

Our school aspires to become a centre of excellence renowned for making outstanding educational provision for the very special pupils we teach.

Pupils will:

1. Be challenged to engage in learning and achieve meaningful qualifications that will enable them to take their next steps in education, employment or training;

3. Create, nurture and maintain healthy positive relationships with others;

1. Safer Recruitment

Rationale

The safe recruitment of staff is the first step to safeguarding and promoting the welfare of children in education. Hidelow Grange School is committed to safeguarding and promoting the welfare of all pupils in its care. As an employer, the school expects all staff and volunteers to share this commitment. Employees involved in the recruitment and selection of staff are responsible for familiarising themselves with and complying with the provisions of this policy.

Aims and Objectives

This Safer Recruitment Policy aims to help deter, reject or identify people who might abuse pupils or are otherwise unsuited to working with them by having appropriate procedures for appointing staff.

Through this policy we aim to:

- Ensure the best possible staff are recruited on the basis of their merits, abilities and suitability for the position;
- Ensure all job applicants are considered equally and consistently;
- Ensure no job applicant is treated unfairly on any grounds including race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age;
- Ensure compliance with all relevant legislation, recommendations and guidance including the statutory guidance published by the Department for Education (DfE), Keeping Children Safe in Education - September 2022 (KCSIE), the Prevent Duty Guidance for England and Wales 2015 (the Prevent Duty Guidance) and any guidance or code of practice published by the Disclosure and Barring Service (DBS);
- Ensure the School meets its commitment to safeguarding and promoting the welfare of children and young people by carrying out all necessary pre-employment checks.

The school has a principle of open competition in its approach to recruitment and will seek to recruit the best applicant for the job. The recruitment and selection process should ensure the identification of the person best suited to the job at the school based on the applicant's abilities, qualification, experience and merit as measured against the job description and person specification. The recruitment and selection of staff will be conducted in a professional, timely and responsive manner and in compliance with current employment legislation, and relevant safeguarding legislation and statutory guidance (including KCSIE 2022 and Prevent Duty Guidance).

The school aims to operate this policy consistently and thoroughly while obtaining, collating, analysing and evaluating information from and about applicants applying for job vacancies at Hidelow Grange School.

Roles and Responsibilities

It is the responsibility of the Governance Committee to:

- Ensure the school has effective policies and procedures in place for recruitment of all staff and volunteers in accordance with DfE guidance and legal requirements.
- Monitor the school's compliance with these policies.

It is the responsibility of the Headteacher and those staff involved in recruitment to:

- Ensure that the school operates safe recruitment procedures and makes sure all appropriate checks are carried out on all staff and volunteers who work at the school.
- To monitor contractors' and agencies' compliance with this document.
- Promote welfare of children and young people at every stage of the procedure.

The Governance Committee has delegated responsibility to the Head Teacher to lead in all appointments to the teaching staff. Whilst members of the Governance Committee may be involved in staff appointments but the final decision will rest with the Head Teacher.

If a member of staff involved in the recruitment process has a close personal or familial relationship with an applicant they must declare it as soon as they are aware of the individual's application and avoid any involvement in the recruitment and selection decision-making process.

Definition of Regulated Activity and Frequency

Any position undertaken at, or on behalf of the School will amount to "regulated activity" if it is carried out:

- frequently, meaning once a week or more; or
- overnight, meaning between 2.00 am and 6.00 am; or
- satisfies the "period condition", meaning four times or more in a 30-day period; and
- provides the opportunity for contact with children. Roles which are carried out on an unpaid/voluntary basis will only amount to regulated activity if, in addition to the above, they are carried out on an unsupervised basis. The School is not permitted to check the Children's Barred List unless an individual will be engaging in "regulated activity". The School is required to carry out an enhanced DBS check for all staff, supply staff and governors who will be engaging in regulated activity. However, the School can also carry out an enhanced DBS check on a person who would be carrying out regulated activity but for the fact that they do not carry out their duties frequently enough i.e. roles which would amount to regulated activity if carried out more frequently.

Advertising

To ensure equality of opportunity, the school will advertise all vacant posts to encourage as wide a field of applicant as possible, normally this entails an external advertisement. Any advertisement will make clear the school's commitment to safeguarding and promoting the welfare of children. All

documentation relating to applicants will be treated confidentially in accordance with the Data Protection Act (DPA).

Information Pack for Prospective Applicants

On receiving an enquiry about a role in school, we send the potential applicant an Information Pack. This contains the following:

- Job Description
- Person Specification
- Detailed statement about our commitment to safeguarding children at our school, referring to our school policies and stating that all applicants will be subject to an Enhanced DBS Check and informing candidates that the interview will include questions about Safeguarding and Child Protection
- An outline of the selection process
- The CareTech Application Form which includes the proforma for references

Application Form

The school will use the standard CareTech application form. All applicants for employment will be required to complete this application form asking about their academic and employment history and their suitability for the role. All applicants are required to account for any gaps or discrepancies in employment history. Applicants submitting an incomplete application form will not be shortlisted. The application form will include the applicant's declaration regarding convictions and working with children, and will make it clear that the post is exempt from the provisions of the Rehabilitation of Offenders Act 1974. CVs will not be accepted. It is unlawful for the school to employ anyone who is barred from working with children. It is a criminal offence for any person who is barred from working with children to apply for a position at the school. All applicants will be made aware that providing false information is an offence and could result in the application being rejected, or summary dismissal if the applicant has been selected, and referral to the police and/or the DBS.

Job Descriptions and Person Specifications

A job description and person specification must be produced or updated for any vacant post. The job description should accurately reflect the elements of the post. The person specification should state both the essential and desirable criteria in terms of skills, aptitudes, knowledge and experience for the job, all of which should be directly related to the job and applied equally to all applicants. Care should be taken when writing the person specification to ensure that criteria used do not indirectly discriminate against certain groups of applicants unless objectively justified.

The recruitment of staff will take into account our school's need for new ideas and approaches, and additionally should support the school's commitment to ensuring a diverse workforce by proactively seeking to attract groups that are under-represented in our profile to maximise our ability to meet diverse pupil requirements.

References

References will be requested after short-listing. The only exception is where an applicant has indicated on their application form that they do not wish their current employer to be contacted at that stage. In such cases, this reference will be taken up immediately after interview. All offers of employment will be subject to the receipt of a minimum of two references which are considered satisfactory by the school. One of the references must be from the applicant's current or most recent employer. If the current/most recent employment does/did not involve work with children, then the second reference should be from the employer with whom the applicant most recently worked with children. References will always be sought and obtained directly from the referee and their purpose is to provide objective and factual information to support appointment decisions.

All referees will be asked whether they believe the applicant is suitable for the job for which they have applied and whether they have any reason to believe that the applicant is unsuitable to work with children. Referees will also be asked to confirm that the applicant has not been radicalised, so that they do not support terrorism or any form of "extremism". Please note that no questions will be asked about health or medical fitness prior to any offer of employment being made. Any discrepancies or anomalies will be followed up. Direct contact by phone will be undertaken with each referee to verify the reference. The School does not accept open references, testimonials or references from relatives.

The Selection Process

As part of the shortlisting process, each applicant's suitability for the role will be assessed against the Job Description and Person Specification. When there are more than four suitable applications, a scoring system will be used to shortlist for interview. Any gaps in employment of more than 3 months will be scrutinised, particularly when these are not explained by the applicant. It is expected that the applicant will include at least two referees and one of these will be their most recent employer. The form will be scrutinised for consistency and any discrepancies in the information provided. When possible, these will be investigated prior to short-listing; otherwise these will be explored at interview.

Interviews

There will be a face-to-face interview wherever possible, and a minimum of two interviewers will see the applicants for the vacant position. At least one of these will have had up-to-date Safer Recruitment Training. The interview process will explore the applicant's ability to carry out the job description and meet the person specification. It will enable the panel to explore any anomalies or gaps which have been identified in order to satisfy themselves that the chosen applicant can meet the safeguarding criteria (in line with Safer Recruitment Training). Any information in regard to past disciplinary action or allegations, cautions or convictions will be discussed and considered in the circumstance of the individual case during the interview process, if it has been disclosed on the application form. All applicants invited to an interview will be required to bring evidence of their identity, address and qualifications. Original documents will only be accepted and photocopies will be taken. Unsuccessful applicant documents will be destroyed 6 months after the recruitment programme.

Assessing Criminal Conviction Disclosures

The Rehabilitation of Offenders Act 1974 does not apply to positions which involve working with, or having access to pupils. Therefore, any convictions and cautions that would normally be considered 'SPENT' must be declared when applying for any position at Hidelow Grange School.

If an applicant discloses a criminal conviction, the panel will consider the following criteria:

- Relevance, nature and seriousness of the offence – those involving drugs, sex or violence
- How long ago it occurred and how long was the sentence
- Repetition: whether it was a one-off offence
- Any mitigating circumstances- such as the age the person was when they committed the offence
- Whether there is evidence of remorse and rehabilitation
- Whether the offence was committed abroad- some offending behaviours may be considered criminal when they are not in ours'
- Whether the law has since changed: some people may be convicted of behaviour that is not considered to be criminal today

If in doubt the panel will seek further advice.

Offer of appointment and new employee process

In accordance with the recommendations set out in KCSIE and the requirements of the Education (Independent School Standards) Regulations 2014, the School carries out a number of pre-employment checks in respect of all prospective employees.

If it is decided to make an offer of employment following the formal interview, any such offer will be conditional on the following:

- the agreement of a mutually acceptable start date and the signing of a contract incorporating the school's standard terms and conditions of employment;
- verification of the applicant's identity (if not previously verified);
- the receipt of two references (one of which must be from the applicant's most recent employer) which the school considers to be satisfactory;
- for positions which involve "teaching work":
 - the school being satisfied that the applicant is not, and has never been, the subject of a sanction, restriction or prohibition issued by the Teaching Regulation Agency (formerly National College for Teaching and Leadership), or any predecessor or successor body, or by a regulator of the teaching profession in any other European Economic Area country which prevents the applicant working at the school or which, in the school's opinion, renders the applicant unsuitable to work at the school;
 - and the school being satisfied that the applicant is not, and has never been, the subject of any proceedings before a professional conduct panel or equivalent body in the UK or any other country for any reason which prevents the applicant working at the school or which, in the school's opinion, renders the applicant unsuitable to work at the school;

- where the position amounts to "regulated activity" the receipt of an enhanced disclosure from the DBS which the school considers to be satisfactory;
- where the position amounts to "regulated activity" confirmation that the applicant is not named on the Children's Barred List1 ;
- confirmation that the applicant is not subject to a direction under section 142 of the Education Act 2002 which prohibits, disqualifies or restricts them from providing education at a school, taking part in the management of an independent school or working in a position which involves regular contact with children;
- confirmation that the applicant is not subject to a direction under section 128 of the Education and Skills Act 2008 which prohibits, disqualifies or restricts them from being involved in the management of an independent school;
- verification of the applicant's medical fitness for the role;
- verification of the applicant's right to work in the UK;
- any further checks which are necessary as a result of the applicant having lived or worked outside of the UK; and
- verification of professional qualifications which the school deems a requirement for the post, or which the applicant otherwise cites in support of their application (where not previously verified).

Whether a position amounts to "regulated activity" must therefore be considered by the school in order to decide which checks are appropriate. It is however likely that in nearly all cases the school will be able to carry out an enhanced DBS check and a Children's Barred List check. A personnel file checklist will be used to track and audit paperwork obtained in accordance with Safer Recruitment Training. The checklist will be retained on personnel files.

DBS (Disclosure and Barring Service) Check

The school applies for an enhanced disclosure from the DBS and a check of the Children's Barred List (now known as an Enhanced Check for Regulated Activity) in respect of all positions at the school which amount to "regulated activity" as defined in the Safeguarding Vulnerable Groups Act 2006 (as amended). The purpose of carrying out an Enhanced Check for Regulated Activity is to identify whether an applicant is barred from working with children by inclusion on the Children's Barred List and to obtain other relevant suitability information. It is the school's policy that the DBS disclosure must be obtained before the commencement of employment of any new employee.

It is company policy to re-check employees' DBS Certificates every two years and in addition any employee who takes leave for more than three months (ie maternity leave, career break etc) must be re-checked before they return back to work. Members of staff at Hidelow Grange School are aware of their obligation to inform the Headteacher or the HR Department of any cautions or convictions that arise between these checks taking place. DBS checks will still be requested for applicants with recent periods of overseas residence and those with little or no previous UK residence.

Portability of DBS Certificates Staff may wish to join the DBS Update Service if they are likely to require another check in the future. Applicants may sign up to the Service for a fee of £13 per annum, which

is payable by the applicant. This allows for portability of a Certificate across employers. The school will:

- Obtain consent from the applicant to carry out an update search.
- Confirm the Certificate matches the individual's identity.
- Examine the original certificate to ensure that it is for the appropriate workforce and level of check, ie enhanced certificate/enhanced including barred list information.

The Update check would identify and advise whether there has been any change to the information recorded, since the initial Certificate was issued. Applicants will be able to see a full list of those organisations that have carried out a status check on their account.

The DBS no longer issue Disclosure Certificates to employers, therefore employees/applicants should bring their original Certificate to the Headteacher (for employees within 7 days of issue or applicants before they commence work or any project involving regulated activity).

Dealing with convictions

The school operates a formal procedure if a DBS Certificate is returned with details of convictions. Consideration will be given to the Rehabilitation of Offenders Act 1974 and also:

- the nature, seriousness and relevance of the offence;
- how long ago the offence occurred;
- one-off or history of offences;
- changes in circumstances,
- decriminalisation and remorse.

A formal meeting will take place face-to-face to establish the facts with the Headteacher who will seek advice from HR, the Head of Service and the Head of Education. A decision will be made following this meeting. In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the Head of HR will evaluate all of the risk factors above before a position is offered or confirmed.

If an applicant wishes to dispute any information contained in a disclosure, they may do so by contacting the DBS. In cases where the applicant would otherwise be offered a position were it not for the disclosure, the school may, where practicable and at its discretion, defer a final decision about the appointment until the applicant has had a reasonable opportunity to challenge the disclosure information.

Secretary of State Prohibition Orders (Teaching & Management roles)

In all cases where an applicant is to undertake a teaching role of any kind, a Prohibition Order check will be made using the Employer Access Online Service. It is anticipated that this will be performed at offer stage. A person who is prohibited from teaching must not be appointed to work as a teacher in such a setting. Prohibition orders are made by the Secretary of State following consideration by a professional conduct panel convened by the National College for Teaching and Leadership (NCTL). Pending such consideration, the Secretary of State may issue an interim prohibition order if it is considered to be in the public interest to do so. A section 128 direction 39 prohibits or restricts a

person from taking part in the management of an independent school. A person who is prohibited is unable to participate in any management of an independent school, a governor on any governing body in an independent school, or a management position that retains or has been delegated any management responsibilities. A check for a section 128 direction will be carried out using the Teacher Services' system. Where the person will be engaging in regulated activity, a DBS barred list check will also identify any section 128 direction.

Proof of identity, Right to Work in the UK & Verification of Qualifications and/or professional status

All applicants invited to attend an interview at the school will be required to bring their identification documentation such as passport, birth certificate, driving licence etc. with them as proof of identity/eligibility to work in UK in accordance with the Immigration, Asylum and Nationality Act 2006 and DBS identity checking guidelines. The school does not discriminate on the grounds of age. Where an applicant claims to have changed their name by deed poll or any other means (eg marriage, adoption, statutory declaration) they will be required to provide documentary evidence of the change. In addition, applicants must be able to demonstrate that they have obtained any academic or vocational qualification legally required for the position and claimed in their application form.

Medical Fitness

The school is legally required to verify the medical fitness of anyone to be after an offer of employment has been made before the appointment can be confirmed. All applicants are requested to complete a medical questionnaire and where appropriate a doctor's medical report may be required. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role. The school is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, obtaining medical evidence and considering reasonable adjustments.

Overseas checks

In addition, applicants who have lived/travelled abroad for more than 3 months will need to obtain a criminal records check from the relevant country. The applicant will not be permitted to commence work until the overseas information has been received and is considered satisfactory by the school.

Induction Programme

All new employees will be given an induction programme which will clearly identify the school policies and procedures, including the Child Protection Policy, the Staff Code of Conduct, and KCSIE, and make clear the expectations which will govern how staff carry out their roles and responsibilities. All staff will be expected to have completed up-to-date Level 1 Safeguarding training and the PREVENT training before they start working with children in our school.

All staff employed by CareTech complete a six month probationary period. During this period, they will be supported by the line manager and will have supervision at least once every half term.

Single Central Register of Members of Staff

In addition to the various staff records kept in school and on individual personnel files, a single central record of recruitment and vetting checks is kept in accordance with the Education (Independent School Standards) Regulations 2014 requirements. This is kept up-to-date and retained by the School Administrator. The Single Central Register contains details of the following:-

- All employees who are employed to work at the school;
- All employees who are employed as supply staff to the school whether employed directly or through an agency;
- All others who have been chosen by the school to work in regular contact with children. This will cover volunteers, governors, peripatetic staff and people brought into the school to provide additional teaching or instruction for pupils but who are not staff members, eg sports coaches etc.

The Head of Education Quality is responsible for auditing the Single Central Register on an annual basis.

Record Retention/Data Protection

The school is legally required to undertake the above pre-employment checks and will retain in their personnel file any relevant information provided as part of the application process. This will include copies of documents used to verify identity, right to work in the UK, medical fitness and qualifications. Medical information may be used to help the school to discharge its obligations as an employer, eg regarding reasonable adjustments if an employee suffers from a disability or to assist with any other workplace issue. This documentation will be retained by the school for the duration of the employee's employment period. All information retained on employees is kept in the Headteacher's Office in a locked and secure cabinet. The same policy applies to any suitability information obtained about volunteers involved with school activities. The HR department will retain all interview notes on all unsuccessful applicants for a period of 6 months, after which time the notes will be confidentially destroyed. The 6-month retention period is in accordance with the General Data Protection Regulations (GDPR).

Ongoing Employment

Hidelow Grange School recognises that safer recruitment and selection is not just about the start of employment, but should be part of a larger policy framework for all staff. The school will therefore provide ongoing training and support for all staff, as identified through the appraisal procedure.

Leaving Employment at Hidelow Grange School

Despite the best efforts to recruit safely, there may be occasions when allegations of serious misconduct or abuse against children and young people are raised. This policy is primarily concerned with the promotion of safer recruitment and details the pre-employment checks that will be undertaken prior to employment being confirmed. Whilst these are pre-employment checks the school also has a legal duty to make a referral to the DBS in circumstances where an individual:

- has applied for a position at the school despite being barred from working with children; or

- has been removed by the school from working in regulated activity (whether paid or unpaid), or has resigned prior to being removed, because they have harmed, or pose a risk of harm to, a child.

If the individual referred to the DBS is a teacher, the school may also make a referral to the Teaching Regulation Agency. If the individual is a supply teacher employed through an external supply agency, the school retains responsibility for fully investigating allegations and liaising with the relevant professional agencies.

Contractors and agency staff

Contractors engaged by the school must complete the same checks for their employees that the school is required to complete for its staff. The school requires confirmation that these checks have been completed before employees of the Contractor can commence work. Agencies who supply staff to the school must also complete the pre-employment checks which the school would otherwise complete for its staff. Again, the school requires confirmation that these checks have been completed before an individual can commence work. The school will independently verify the identity of staff supplied by contractors or an agency in and will require the provision of the original DBS certificate before contractors or agency staff can commence work.

Visiting Speakers (and Prevent Duty)

The Prevent Duty Guidance requires the school to have clear protocols for ensuring that any visiting speakers, whether invited by staff or by pupils, are suitable and appropriately supervised. The school is not permitted to obtain a DBS disclosure or Children's Barred List information on any visiting speaker who does not engage in regulated activity at the school or perform any other regular duties for or on behalf of the school. All visiting speakers will be subject to the school's usual visitors signing in protocol [Branas Visitors Policy]. This will include signing in and out at Reception, the wearing of a visitor's badge at all times and being escorted by a fully vetted member of staff between appointments. The school will also obtain such formal or informal background information about a visiting speaker as is reasonable to decide whether to invite and/or permit a speaker to attend the school. In doing so, the school will always have regard to the Branass Visitors Policy, the Prevent Duty Guidance and the definition of "extremism" set out in KCSIE which states: "'Extremism' is vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas. Terrorist groups very often draw on extremist ideas developed by extremist organisations." In fulfilling its Prevent Duty obligations the school does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age.

Volunteers

The school will request an enhanced DBS disclosure and Children's Barred List information on all volunteers undertaking regulated activity with pupils at or on behalf of the school (the definition of regulated activity set out above will be applied to all volunteers). Under no circumstances will the school permit an unchecked volunteer to have unsupervised contact with pupils. It is the school's

policy that a new DBS certificate is required for volunteers who will engage in regulated activity but who have not been involved in any activities with the school for three consecutive months or more. Those volunteers who are likely to be involved in activities with the school on a regular basis may be required to sign up to the DBS update service as this permits the school to obtain up to date criminal records information without delay prior to each new activity in which a volunteer participates. In addition the school will seek to obtain such further suitability information about a volunteer as it considers appropriate in the circumstances. This may include (but is not limited to the following):

- formal or informal information provided by staff, parents and other volunteers;
- character references from the volunteer's place of work or any other relevant source; and
- an informal safer recruitment interview.

Monitoring

This policy will be reviewed by the Head Teacher every 12 months. The date of next review will be **December 2024**.
