### School Moto

**Reflect, Believe, Develop, Achieve**

### Our mission statement

We provide a safe and inclusive learning environment that nurtures mutual respect and encourages reflection so that our pupils develop the knowledge skills and confidence to enable them to achieve their potential in all aspects of their lives.

*CareTech's children's education services provide a safe and stimulating learning environment in which young people are always offered a fresh start, and empowered to achieve and fulfil their unique potential*

## **OUR CULTURE AND ETHOS**

We are committed to providing a nurturing, safe and vibrant learning environment that fosters a love of learning and enables every student to become the best they can be. Respectful and supportive relationships are at the heart of all that we do: we value every member of the school community equally. We recognise that our pupils bring different experiences, interests and strengths, and we understand these will influence the way they learn. Therefore, we take a child-centred approach to education that recognises and responds to individual need. We celebrate effort and achievements and set high expectations. We are here to help our students learn the skills they need to become successful, motivated and resilient young adults who are fully equipped to make a positive contribution to society.

Branas Isaf operates an integrated model of care, education and therapy underpinned by the Good Lives Model. The school exists to improve the quality of life of our pupils both now and in their future. We specialise in supporting the Good Lives Model as a framework as the underpinning therapeutic model across both care and education for the development of our pupils.

### **1. Description and Ethos of Hidelow Grange School**

Hidelow Grange is an Independent School operating within the Branass Isaf Company, a subsidiary of CareTech Community Services Ltd., who are the proprietors.

Hidelow Grange is an independent school providing specialist education to boys aged 11 to 18 years with social, emotional and mental health (SEMH) needs, and who are Looked After Children. The school specifically caters for boys who present with a range of complex interpersonal, emotional and behavioural issues.

**For a more detailed description of what the school offers see “Statement of Independence” and School Prospectus.**

## OUR PUPILS

All young people at Hidelow Grange School have a history of harmful behaviours, including harmful sexualised behaviours and social, emotional and mental health needs often accompanied by a range of additional learning needs.

Most of the pupils have had interrupted histories in education and care. There are a wide variety of attainments on admission. All have fragile self-esteem and demonstrate difficulties with authority and a lack of trust in adults. Many have experienced loss and trauma, leading to attachment difficulties. As a result, many experience difficulties in forming and maintaining appropriate, positive relationships with others and have a limited ability to work cooperatively.

Pupils are:

- aged 11 to 18;
- boys only;
- placed within the residential setting of Branas Isaf;
- residents from placing authorities throughout the United Kingdom;
- all present a range of harmful behaviours;
- most are in receipt of an EHC plan.

## THE VISION

Our school aspires to become a centre of excellence renowned for making outstanding educational provision for the very special pupils we teach.

This vision drives everything we do and will be achieved through...

- A rich, deep and personalised education designed to meet the needs of each pupil;
- A pupil centred, skills focused curriculum that is relevant to the 21st century and inclusive of all;
- Encouraging all members of the school community to strive beyond expectations and develop a lifelong love of learning;
- Offering a broad range of learning experiences within a curriculum that values academic attainment as well as social, moral, spiritual and cultural aspects of education;
- Providing personalised careers education and guidance, with aspirational next steps planning, preparing pupils for their future;
- Recognising that time is precious: working quickly to turn around pupils' attitudes towards education so they enjoy their time at school and make the most of the opportunities on offer;
- Working collaboratively with our professional partners to support the needs of each individual pupil.

Pupils will:

1. Be challenged to engage in learning and achieve meaningful qualifications that will enable them to take their next steps in education, employment or training;
2. Develop into healthy, resilient and confident individuals who are ready to lead fulfilling lives as valued members of society;
3. Create, nurture and maintain healthy positive relationships with others;
4. Experience success, whatever form it takes;
5. Become enterprising, creative contributors ready to play a full part in life and work;
6. Celebrate diversity and develop into ethical, informed young people who are ready to be citizens of the world.
